S.A.C.I. Falabella is pleased to announce the opening of Mallplaza Arica in Chile, in the city of Arica. With this opening, the company currently has a total of 17 shopping centers in the country and 43 in the region.

Mallplaza Arica, which opened on April 12nd, with a GLA of 34,000 m², arrives in the city with a pioneer proposal for northern Chile. This new shopping center, with open and integrated spaces, just steps from Chinchorro Beach, hopes to become a privileged space and a trigger for tourism, employment and the economy of the city of Arica.

This shopping center includes a new Falabella department store, with a sales area of 5,300 m², with which we reached 46 stores in the country and 112 in the region.

The mall will also have a Ripley store, a Lider supermarket and a Cinemark cinema and over 100 specialty stores.

Best regards,
