S.A.C.I. Falabella is pleased to announce the opening of Mallplaza Manizales in Colombia, in the city of Manizales. With this opening, the company currently has a total of 2 shopping centers in the country and 43 in the region.

In Mallplaza Manizales, which opened on August 16<sup>th</sup> with a GLA of 40,000 m<sup>2</sup>, the company seeks to reflect the concept of “retail-tainment” developed in its new shopping stores, whereby has committed to integrate the retail proposal offered by more than 150 stores with a robust entertainment and gastronomic offer, which will have two specialized sectors, according to the local identity and culture.

This shopping center includes a new Falabella department store, with which we reached 27 stores in the country and 113 in the region.

Best regards,

IR Team
